WORK HISTORY

Gardens New World

Dunedin, New Zealand
Nov 2017 - Present

● Liquor Department

I originally started as a part of the grocery department, but after doing some work for the liquor department I have since been moved there. This was because I was able to get jobs done to a respectable standard and I am capable of being the taking care of that department on my own.

Cromwell New World

Cromwell, New Zealand
Nov 2013 - Feb 2016

● Chilled and Frozens Department

This was mainly a part time job while I was in high school although I would work full time in my breaks. By the end of my time there, I was often put in charge of some of the younger members of the department that had begun working there part time and in holidays themselves.

QUALIFICATIONS

Otago Polytechnic

Dunedin, New Zealand
2016 - Present

● Bachelor of Information Technology

The papers I have studied include Linux Operating Systems, Routing and Switching Essentials, Quality Assurance and Software Testing, Security, Software Engineering, two levels of Web Development, three levels of Database Management and four levels of programming

Otago Polytechnic

Dunedin, New Zealand

● Level 4 Certificate in Information Technology

Cromwell College

Cromwell, New Zealand
2015

● NCEA Level 3

TECHNICAL SKILLS

- Microsoft Office
 - C++ programming
 - HTML and CSS
 - C# programming
 - Python programming
-

PERSONAL SKILLS

Communication

Working on the shop floor at both Cromwell and Gradens New World, I have regularly had to interact with customers. This includes answering inquiries about product and general pleasant interaction with the public.

Self Management

I have always felt I work very well when I am given a task and left to my own devices to complete it.

Team Work

I may work well on my own but I also work well as a part of a team. I always strive to pull my weight and am always ready to assist team members if they want it.

Willingness to Learn

Studying at Otago Polytechnic has not only taught me the information I am here to study, but also how to really learn. I have learned some programming in Javascript and sql in my own time in order to further my abilities past what I have been shown.

COMMUNITY & VOLUNTEER EXPERIENCE

Cromwell Rowing Club

Cromwell, New Zealand
Sep 2012 - Mar 2015

● Training up to 6 days a week, often in the early hours of the morning before going to school all day, taught me a work ethic I believe I have carried with me ever since. It taught me how to work hard for my goals and to push myself.

REFEREES

Rajinder Jamwal

Floor Manager - Gardens New World
